WINE LIST

Our goal is to offer premium quality, exceptionally priced wines to accompany every guest's meal. We believe that regional ingredients and recipes are usually best paired with regional beverages, so we offer a proportionally large selection of wines from British Columbia and the Pacific Northwest.

Our wine list is laid out with the hope of being as user-friendly as possible. The list is presented in the order we believe most guests proceed through their dining experience: wines by the glass, sparkling wines and half bottles for cocktails or to accompany appetizers and then red or white table wines, by the bottle or magnum, to accompany main courses. Dessert wines are presented and listed on our separate dessert menu.

On each page, wines are listed by varietal, in a general sense, from lightest-bodied to fullest-bodied, to assist in food and wine pairing. "If you balance the wine with the food by choosing one that will seem about the same weight as the food, you raise the odds dramatically that the match will succeed."
- Harvey Steiman of Wine Spectator Magazine. We also denote wines with sweetness by marking them with an asterisk.

If you have any comments regarding the wine list, or suggestions on what you might like to see in the future, please call me at 604 661.1406 or e-mail me at calvin@thelistelhotel.com.

Thank you,

Calvin DesChene, Sommelier
